WORKERS

Do you know what are your health and safety responsibilities?

- **Know** and **follow** health and safety requirements affecting your job
- **Work safely** and **encourage** co-workers to do the same
- **Correct** and **immediately report** unsafe conditions to your supervisor
- **Always wear** personal protective equipment (PPE)
- **Cooperate** with your employers, safety committee and safety representative to protect your health and safety
- **Seek medical attention** if you are injured, **report** your injury to your employer and to the WCB

 902-368-5680 or toll-free 1-800-237-5049
